Garden Club Has Tree Plantings

The Pahokee-Canal Point Garden Club observed Arbor Day with a tree planting program and picnic lunch in the Pahokee city park Friday, starting at 10:30 a. m.

At a brief business session, with the president, Mrs. C. M. Todd, presiding, the club voted to cooperate with the Belle Glade and Clewiston Garden Clubs in the joint sponsorship of the engagement of Mrs. Dorothy Biddle to speak on "Color Harmony and Flower Arrangements" in Belle Glade on Feb. 28.

A flowering tree was planted honoring Mrs. Ruth W. Meredith, park supervisor, in recognition of her work in civic and club activities. Mrs. Todd, in behalf of the club, presented a gift to Mrs. Meredith. A rare Mexican flowering tree from the Fairchild Gardens in Miami was also planted during the ceremony.

Mrs. E. L. Parker gave a talk on "What is Arbor Day." Other speakers were Mrs. Emma Wheeler, "Trees of the Bible"; Mrs. Don Hillier, "Roadside Parks"; and Mrs. F. M. Shaughnessy, "Roadside Beautification."

Mrs. F. W. Wilson gave a report on the Arbor Day exercises held at the Canal Point High School in which she took part as speaker. A report was also given on the Arbor Day observance at the Pahokee School which was under the direction of the Future Farmers of America, with Alfred Meeks, FFA president, in charge.

Following the lunch, members of the four circles separated into in-

Work Is Started On State Road No. 717

The long awaited "go ahead" signal for construction of State Road 717 from Bacom Point to State Road 30 has been received from SRD officials, according to County Commissioner Paul Rardin who was in Tallahassee last week.

Actual work started Thursday morning when some clearing work was done in order that engineers could go to work. The \$684,000 contract is held by Cleary Brothers of West Palm Beach.

The Thomas Handley Construction Company of Pahokee has the sub-contract of clearing and grubbing and it was his work that started in a small way yesterday.

Acting on the recommendations of the Ixora Circle of the Pahokee-Canal Point Garden Club the Pahokee City Council has passed an ordinance officially renaming certain streets in Pahokee as follows:

The name of Belle Glade Road has been changed to Lake Ave.; Cat Alley, to Annona Lane; SE 2nd Ave. to Banyan Ave.; SE 3rd Ave. to Cypress Ave.; SE 5th Ave. to Elm Ave.; SE 6th Ave. to Flame Ave.; SW 1st Drive, to Allamanda Dr.; SW 2nd Ave. to Begonia Ave.; SW 3rd Ave. to Carriessa Ave. and SW 4th Ave. to Dahila Ave.

Chalo Nitka Feb. 2 At Moore Haven

MOORE HAVEN—If you are a Yankee tourist looking for something a bit out of the ordinary; if you are a Florida woodsman who prides himself on his ability to yelp up a turkey to shooting distance, or to mimic a quail's call or that of a duck or gator; if you are just plain Cracker looking for a pleasant day's entertainment and a good fish dinner, free to all comers, then you'll be present at Chalo Nitka, a festival dedicated to the fighting black bass in Lake Okechobee.

The Festival will be held this year on Saturday, February 2, and you won't want to miss a single minute of it, from the opening parade at one o'clock until the end of the street square dance along about midnight. The ceiling contests will be feature of the afternoon program as will contests for bait and fly casting, for distance and accuracy, and there'll

Bill Golden Will Build New Drive-In Theatre At Bend

The Glades' first drive-in theatre is soon to be under construction at Vinegar Bend between Belle and South Bay, according to Bill Golden, proprietor of the new venture. Mr. Golden said that he recently purchased a fraction over seven acres of land on the bend for the new structure.

The building on the plot of ground will be rebuilt and made into a recreation center to be operated along with the theatre, Mr. Golden said. He plans to have shuffleboard, ping pong and other indoor games for the teen-agers.

A drive-in restaurant is also in the plans for the Bend, Mr. Golden added. Work is to start immediately and it is hoped that entire construction work can be completed at an early date.

On Wednesday of this week Mr. Golden was making arrangements for piling and rock fill which necessarily will have to be put in before construction work starts.

"The Bend Drive In" will be the name of the new theatre and adjoining restaurant and recreation facilities, Mr. Golden concluded.

Mr. Golden owns property in Pahokee where Cooby Crews operates a restaurant and a trailer park near the Baptist church. He has operated a GI flying school at Belle Glade airport since close of the last war.

Local Lions Will Play Basket Ball

There is a basket ball game scheduled for next Monday night in the Canal Point gymnasium that should draw a big crowd and furnish thrills for the spectators. The Canal Point Lions are to play the Canal Point Junior High School boys in what looks like it might be a thriller, sure enough.

The Lions—some of them older than they think they are—have been taking several hours practice each evening this week in an effort to limber up their joints for the coming encounter with the youngsters. It is reliably reported that the druggist will be on hand with liniment and bandages for the older players—in case they need them at the half.

There will be a slight admission charge and whatever cash is derived from the game will go toward buying uniforms for the Junior High Team. The game is scheduled to get under way sharply at seven o'clock.

Stanley Is Named To Hospital Board

M. P. Stanley, of Pahokee, has been appointed by Gov. Fuller Warren as a new member of the Northwestern Palm Beach County Public Hospital Board, under which the Everglades Memorial Hospital of Pahokee is operated. Stanley replaces J. V. Thomas, Pahokee, whose term expired following a period of service of four years.

Singers Will Meet In Canal Point Sunday

The Glades Singing convention will meet Sunday at the First Baptist Church on Canal Street in Canal Point. It will be an all day sing with dinner on the ground. On Friday (tonight) the Upthegrove Trio will give a concert at the church. They will also sing Sunday. Horace Floyd will be another feature on Sunday. The public is invited, according to J. D. Stacy, president and Gary Sanders, Secretary.

Mrs. Adaline Stuckey underwent surgery at Good Samaritan Hospital in West Palm Beach on Tuesday.

Celery Coop Will Install Radios

Members of Everglades Growers Cooperative operating at the State Market in Pahokee will be able in the immediate future to keep closer tab on their operation through the use of radiotelephones. Installation will be made within the next few weeks, it was pointed out by Jess Elliott, manager of the Coop.

The 100-foot tower will be erected at the Market site and operations will be carried on from that point to the 10 mobile units which will be equipped with the latest devices in the way of radiotelephones. The set will cover a radius of 20 miles, Mr. Elliott said.

Grower-members of the Coop to profit by installation of the time-saving phones will be Lewis Friend, C. T. Niblack, Frank Friend, T. W. Knight and Vandegrift-Williams Farms.

Installation of the radio phones will save many hours of time in that instructions can be given over the air instead of other and slower methods. In some instances it is necessary to drive more than 25 miles to start operations on certain celery farms. The radio phones are used in other sections of the Glades to a great advantage, Mr. Elliott said.

Blue Devil Cage Crew Breaks Even

Coach Bill Howard's Pahokee Blue Devil basketball team will travel to Stuart tonight in an attempt to get back in the winning column at the expense of the Tiggers after losing three straight games to Lake Worth, Seacrest and Vero Beach.

A lack of reserve strength appears to be the principal reason for the Blue Devils' slump. In the last three games they have played strong in the first half, only to weaken and let their opponents take the game in the last half. Their record to date is three victories and three defeats.

The Blue Devils lost to Vero Beach, 69 to 50, in the local gym Tuesday night. Carney Wilder was high point man for the Devils, running up 13 points. Buddy Hewell's 11 points was second high, while Danny Mullis and Lewis Pope were close behind with 10 points each. In the B preliminary Vero Beach outclassed Pahokee, 53-27.

Funeral Services For W. W. McCurdy

Funeral services for Willard Wynne McCurdy, 49, prominent Pahokee business man, will be held at the First Baptist Church in Pahokee this Friday morning at 10 o'clock, with Rev. Hoke H. Shirley of Pompano, former pastor, and Rev. Hal Hunter, pastor, officiating.

Mr. McCurdy died with shocking suddenness from a heart attack at his home on Bacom Point Road Tuesday night around 10 o'clock. A native of Comer, Ga., he came to Florida in 1924 and to Pahokee in 1946. After serving for three years as manager of the Stuckey Fertilizer Works, he established his own successful business organization as the Fertilizer and Insecticide Sales Company, which was located in the old cannery plant building between the two railroad crossings on Canal Point Road. He was a member of the Pahokee First Baptist Church, the Pahokee Rotary Club and the Pahokee EPOE Lodge 1638.

Survivors include his wife, Annette; one daughter, Mrs. Norma Aldridge, Gainesville; two sons, Willard W., Jr., a student at the University of Florida, Gainesville, and Charles Milton, a Senior at Pahokee High School; two sisters, Mrs. C. W. Bryant and Mrs. J. T. Brooks of Elberton, Ga.; two brothers, John M. McCurdy of Belle Glade and Roy McCurdy of Tignall, Ga., and one grandson, Keith Aldridge.

Burial will be at the Port Mayaca Cemetery. Berry's Funeral Home is in charge of arrangements.

Rardin Asks SRD For 2 Retread Jobs

In the list of jobs sought by the Palm Beach County Commission from the State Road Department during 1952, County Commissioner Paul Rardin asked the department for two retread jobs on Glades roads.

Pointing out that the road from Canal Point to Twenty Mile Bend is in need of a retread, Rardin asked for it in 1952. The road between Pahokee and Belle Glade was retreaded several years ago and another retread job in 1952 would put it back in first class shape, Rardin said, in asking that this be done in 1952.

Four bridges in the Glades stand at the top of the Palm Beach County requests for 1952. They were in the 1951 budget but the SRD never got around to building them. The local commissioner has high hopes that the bridges will all be built in 1952. The bridges are at Six Mile Bend, Canal Point, Lake Harbor and South Bay.

Rardin Qualifies

County Commissioner Paul Rardin from the Fifth Palm Beach County district qualified with the circuit clerk on Tuesday, seeking re-nomination in the May primary election.

News Notes From State Capital

TALLAHASSEE—C. M. Gay, state comptroller, has announced for re-election thus bringing on the spring primary ballot all six of the state cabinet officers. And on the eve of the qualifying deadline, February 1, the hard-working chairman of the state road department, Alfred A. McKethan, withdrew his name from speculation that he might run for governor. As this is written, the only uncertain factor from a state-wide basis is whether Claude Pepper will run for governor, or for United States Senator, or remain in private life. A minor turmoil developed in the Tampa-St. Petersburg congressional district when Chester B. McMullen announced he will retire at the end of his first term, and opened the lists for a wild scramble among those who want to succeed him.

TALLAHASSEE—Consent for financing a dial telephone system was given the Quincy Telephone Company by the Florida Railroad and Public Utilities Commission. Chairman Richard A. Mack announced the company will borrow \$320,000 to purchase and install equipment. At the same time, dates were set for a further hearing on rates now charged by the Southeastern Telephone Company on a short trial basis, chiefly affecting Tallahassee customers. The commission has set February 12 for a hearing on a new application from the Peninsular Telephone Company at Tampa to readjust its rates, having been turned down on an earlier request.

TALLAHASSEE—The Florida Bar soon will announce the names of seven former past presidents who will form a committee to help prosecute lawyers accused of unethical practices. President John M. Allison of Tampa reported to the board of governors that 100 complaints have been brought to the board, after many more had been screened. He promised that the "house-cleaning" in the legal profession would be thorough. As

of now, he added, there are 4,762 practicing attorneys in Florida.

TALLAHASSEE—The magnificent music building at Florida State University, one of the finest in the nation, has been named Opperman Hall, in honor to Dean Ella Scobie Opperman, who joined the school of music in 1911. The hall has been opened since the war, and embodies the latest ideas in design and fittings. Dean Opperman retired in 1944.

TALLAHASSEE—The new W. T. Edwards hospital for the tubercular will be dedicated here April 6, and patients will move in a month or so later. The great new building, being finished now on land northwest of Tallahassee, will serve all of North Florida. The temporary hospital at Marianna will continue to handle convalescent cases. Dr. L. C. Mann, its medical director, will become director of the new hospital here, and M. A. Rooks will be transferred from Marianna here as business manager.

TALLAHASSEE—The state of Florida this week is expected to be on a cash basis again. Comptroller C. M. Gay told the cabinet that the general fund now has a balance of nearly two and a half million dollars after all January school and pension checks are paid, and that he expects within a few days to pay some bills deferred in December. Collections from the automobile tag tax were delayed 35 days by a 1951 law which postponed sale of tags until January 1, and this is largely blamed for the recent shortage.

TALLAHASSEE—Chairman Alfred A. McKethan of the state road department has suggested that the department be enlarged to have nine instead of five members. Thus, he told delegates here attending the budget hearings, various sections of the state could be represented without putting such a strain on the board members. Instead of making the chairman the

executive officer, McKethan advocated hiring a commissioner of roads. Terms of the board members would be staggered, he said, so no one governor could control its actions.

TALLAHASSEE—Major candidates for governor so far have reported spending at least \$15,000 altogether, with four months of campaigning still ahead of them. Expenses reported include Alton Adams with \$5,458 to date, Dan McCarty with \$2,799, and Brailley Odham with \$5,012.

Sorority Met Last Thursday Evening

Members of the Beta Omicron Chapter of the Beta Sigma Phi Sorority, at a meeting at the home of Mrs. O. H. Chastain on Thursday night of last week, completed plans for the intensive March of Dimes drive which they will conduct in the Pahokee-Canal Point area on the evening of Jan. 31 from 6 to 7 o'clock.

Mrs. Jack Phillips and Mrs. Earl Crossman, co-chairmen in charge of the drive, assigned sections to be canvassed by individual members of the chapter in a complete house-to-house coverage of the area. Residents are asked to leave their porch or other outside lights on between 6 and 7 p. m. on Jan. 31 if they are willing to contribute to the campaign. Mrs. Rupert Mock, social chairman, announced an outdoor party and barbecue for chapter members and their husbands was to be held at her home Thursday at 8 p. m. A program on "Happiness Through Travel" was presented by Mrs. Phillips. Mrs. Chastain was assisted by Mrs. M. C. Carter, co-hostess with the refreshments.

Guy McClure has returned to Fort Pierce after a week's visit with his brother and sister-in-law, Mr. and Mrs. O. B. McClure, in Pahokee.

Miss Rita Faye Hurt New Church Organist

At a meeting of the Board of Stewards of Pahokee First Methodist Church Thursday night of last week Ralph Johnson reported \$311.15 was collected for the church building fund on Sunday, Jan. 13, raising the total to \$2427.76.

Miss Rita Faye Hurt was appointed church organist to fill the vacancy left by the resignation of Mrs. William McClenahan, who resigned because of ill health. The board voted to pay for organ lessons for the Misses Carol Carpenter and Joyce Lyn Hurt, who will serve as substitute organists.

The purchase of 50 additional hymnals for the church pews was authorized.

Rev. Ralph W. Todd recommended that W. E. Blackwell be elected a member of the Board, subject to approval at the Quarterly Conference. Rev. Todd announced a week of evangelistic meetings will be at the church in February, the exact dates to be set later.

Evangelism Group Met Friday Night

The members of the Evangelism and Membership Committees of the Canal Point Methodist Church met at the home of Mr. and Mrs. A. R. Harrington last Friday night to make plans for the United Evangelistic Mission which will take place in the Florida Conference from Saturday, Feb. 16th to Friday, Feb. 22nd. Those attending were Mr. and Mrs. Delmar Hooks, William Johnson, Mrs. George Kingsley, Mrs. Earl Maxson, Mrs. Frank Wilson, and Mr. and Mrs. A. R. Harrington. Guest preachers will be invited from many northern states to serve in preaching and visitation evangelism throughout the Florida Conference during the Evangelistic Mission.

Albert Gant has opened the Texaco filling station in Pahokee. Albert has been farming on the East Coast for two or three years. His many friends will be glad to know that he is again making his home in Pahokee.

Cinematic Chatter

By Malcolm Millar

Students of public schools in Hollywood are as affected by their close association as their adult parents. While Mamma and Papa are writing fan letters to their film favorites requesting autographed photographs, Junior expresses his function for the movies in a different manner. The students of North Hollywood Junior High School, in their student periodical "The Skyline", have named fifteen screen stars they would most like to have on their "ideal faculty." While parents may chuckle at the selections, it is doubtful if the Board of Education would approve the following choices: "Principal," Jerry Lewis; "Girl's Vice Principal," Dean Martin; "Boys Vice Principal," Esther Williams; Girls Counsellor," "Farley Granger; "Boys Counsellor," Shelly Winters; "Girls Physical Editor," Howard Duff; "Boys Physical Editor," Dagmar; "French," Corrine Calvert; "Spanish," Leo Carrillo; "Algebra," Red Skelton; "Social Studies," Groucho Marx; "English," Judy Holliday; "Oral Arts," Sid Caesar; "Journalism," Milton Berle; "Music," Gary Crosby. After being informed that he had been selected as "Principal,"

Jerry Lewis announced his "Code of Conduct." "School hours," declared Jerry, "will be from one o'clock in the afternoon until two P. M. Allowing for the usual one hour for lunch at that time, this makes a long but fruitful day. Parents will be required to submit report cards to students and will be flogged unless they get a star of "A". Teachers will only speak when spoken to by students and the school restaurant will feature banana splits exclusively. See you at the movies—Mal.

Ed Got Red In His Own "Hot Water"

Big Ed started a "Pay-Your-Bill" campaign last week and ended up with a slightly red face. Ed's been our Water Commissioner for ten years, and for ten years now he's been getting riled up over slow payments of bills.

So, he finally decided to do something drastic about it. Last week he sent notices that if the slackers didn't pay up by Friday, he'd shut off their water.

Naturally, some still didn't square accounts. Ed ordered their water turned off, and 14 homes

went without all week end—the Commissioner's among them. Seems Ed forgot to pay his bill.

From where I sit, Ed's mistake is one we all make at times. We are too quick to accuse others while forgetting our own faults. Lots of us do it, for instance, over a difference in taste for a soft drink or a friendly glass of beer. Let's respect each other's preferences and we'll all stay out of "hot water."

Christian Science Group Of Canal Point

Timely emphasis will be placed on the need to acknowledge God and give Him all glory in the services to be held in Christian Science churches next Sunday. Subject of the Lesson-Sermon is "TRUTH."

The Golden Text is from John (8: 31, 32): "Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free."

The following is one of the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Mortals obtain the harmony of health, only as they forsake discord, acknowledge the supremacy of divine Mind, and abandon their material beliefs" (p. 400).

Corresponding Bible passages include: "Not unto us, O Lord, not unto us, but unto thy name give glory, for thy mercy, and for thy truth's sake" (Ps. 115: 1).

Senator Holland Seeks Second Term

U. S. Senator Spessard L. Holland announced this week he will be a candidate for reelection in the Spring primaries.

"I am humbly grateful to the people of Florida for the high honor of representing them in the United States Senate, and I sincerely hope that I may be accorded the privilege of continuing to serve them and the Nation," Holland declared, adding that he had tried faithfully to represent the viewpoint of the Florida people.

"At all times, I have placed first the welfare of the general public, rather than the demands of pressure groups, and have endeavored to perform my duties in such a way as to preserve our traditional American way of life," the State's Senior Senator continued. "I selected my committee appointments so that, while serving the Nation, I would be able to give maximum service to all Florida."

He praised the teamwork of the Florida delegation and said the unity of its members had produced good results for the state.

As he often has on the Senate floor, Holland sharply rebuked the "extreme left wingers who have persistently tried to engulf the United States with creeping Socialism under such proposals as the Brannan Farm Plan, Compulsory Health Insurance, and FEPC." "I have in the past opposed these and similar proposals, and will continue to do so with all my strength," he explained.

"I regard it as a continuing responsibility of Congress to do all within our power, by investigations and otherwise, to unearth corruption and loose practices in government, and to insist upon a return to greater simplicity, honesty, and efficiency," he added.

Mrs. Evie L. Keen returned recently to her home in Canal Point from a visit with relatives and friends in Texas. She was accompanied by Mrs. Rodney Connell and Mrs. Ray Hawk, Jr. who visited their husbands at the Lackland Airforce Field near San Antonio, and by Miss Patsy Geiger.

Dwight L. Rogers Seeks Reelection

Representative Dwight L. Rogers, of Fort Lauderdale, announced he is qualifying today for reelection to the United States Congress from the 6th Congressional District of Florida on his record as made in Congress and the service rendered to the people of his District since he has been a member of the United States House of Representatives.

Representative Rogers, the first and only Representative from the 6th Congressional District, issued a formal statement at his office here outlining some of the outstanding measures he has worked for since being in Congress. Rogers is one of the top-ranking majority members of the all-important Committee, House Interstate and Foreign Commerce.

Since entering Congress Rogers has been in the forefront in pushing and working for legislation for the benefit of the Nation's veterans and he is known through the National Capitol as a "Friend of the Veterans." He was the original author of the bill giving enlisted men and women the same terminal leave pay benefits that officers received and it was largely through his efforts that this bill was finally passed by the Congress, and the veteran received just and equal treatment at the hands of our Government.

Rogers has been extremely active in support of the overall flood control program for Central and Southern Florida. He introduced and led the fight in the House for the passage of this bill and has fought continuously in every Session to obtain appropriations to complete this project. The flood control problem is of paramount importance not only to south Florida but to the state and nation.

March Of Dimes Scheduled Jan. 31st.

All residents of the Pahokee-Canal Point area will have an opportunity to contribute to the March of Dimes campaign for polio relief on Thursday, Jan. 31, between the hours of 6 and 7 p. m., when members of the Beta Omicron Chapter of the Beta Sigma Phi Sorority will cover the entire area in a "Mothers March" house-to-house canvass.

As a signal that contributions are waiting, residents are asked to have their porch or other outside lights on during the hour while the drive is on. During the afternoon of Jan. 31 Malcolm Miller will drive through the streets of both communities in the public-address car of the Gold-Dobrow Theatres reminding residents of the start of the drive at 6 p. m. The full cooperation of the public is urgently requested by Mrs. Leon Spooner, chairman of the March of Dimes Campaign in the Pahokee-Canal Point area.

T. Harold Williams For Co. Solicitor

County Solicitor T. Harold Williams Tuesday qualified for reelection to the County Post office.

Born in 1907 at Lake City, Florida, the son of Mr. and the late Mrs. John T. Williams, he was educated in Lake City Schools and was graduated in 1933 from the University of Florida, where he earned his law degree.

Upon graduation, he opened a law office in Hartsville, S. C., but in 1938 moved to West Palm Beach to enter private practice.

He entered the Armed Forces in 1942 and served for 37 months with the U. S. Coast Guard. Following separation from service, he returned to West Palm Beach. Mr. Williams was elected City Commissioner, Centralboro, in 1947. He resigned his municipal post in November, 1948, after he was elected to the County Post and started work as County Solicitor in January, 1948.

He is a member of the First Baptist Church, the Elks Lodge, Lions Club, Flotilla Club, Moose Club, American Legion and Veterans of Foreign Wars, Palm Beach County Bar Association and the Florida Bar.

He was married in 1933 to the former Miss Elizabeth Perdue, of West Palm Beach, and they live with their two children at 218 Edmor Road.

During the last year Mr. Williams has twice been asked by the Florida Governor to prosecute cases outside Palm Beach County.

"There have been more prosecutions and convictions during my term of office than ever before in the history of the County Office," Mr. Williams said today, and "I hope to continue to serve in this office in the same efficient and impartial manner as I have been and am doing now," he added.

Johnson Singers To Appear In Pahokee

The famous Johnson Family known as "Radio's Sweetest Singing Family," will make a personal appearance at the Pahokee First Methodist Church on Friday, Feb. 1st at 7:30 p. m.

The Johnson Family has been heard Coast to Coast on CBS for the past ten years and has recorded many well known songs both sacred and secular.

Recently they, with other well known radio artists, made personal appearances for wounded men back from the Korean front. This and other programs are all made possible for our wounded men and women by a Protestant Church Organization known as Veterans Hospital Programs, now in its seventh year of continuous programs of cheer and comfort for our wounded boys.

A. Kaltenbrunner of West Palm Beach and his brother-in-law and sister, Mr. and Mrs. Frank Baker of Regina, Saskatchewan, were visitors in Pahokee on Wednesday of this week. Mr. "K" is a former resident of Pahokee and his many friends were happy to see him looking so good.

Adams - Maloy

Plans for the wedding of Miss Ruth Janet Adams, daughter of Mr. and Mrs. C. C. Adams of Pahokee, and Lloyd Irvin Maloy, son of Mr. and Mrs. L. J. Maloy, also of Pahokee, have been announced.

The ceremony will take place at the Pahokee First Baptist Church Saturday, Jan. 26, at 3 p. m., with Rev. Hal Hunter, pastor, officiating.

The bride's maid of honor and only attendant will be Miss Betty Barber of Miami. Gene Herring

will serve as Mr. Maloy's best man. A program of nuptial music will be presented by Mr. and Mrs. Chandler McIlwain preceding the ceremony.

The ceremony will be followed by a reception, with friends of the couple invited to attend both the wedding and reception.

Mr. and Mrs. Orin S. Bacon, Jr., former Pahokee residents who have been living on a ranch near Stuart for the past several months, have moved to Franklin, N. C., where they are making their home.

We "Went to Town" on Farm Telephones in 1951...

Southern Rural Telephones Pass the Half Million Mark

THE number of rural telephones served by Southern Bell passed the 520,000 mark in 1951. More than 77,000 were added last year alone.

Even bigger things are planned for 1952, provided we can get the necessary materials. Many more Southern farmers are eager to enjoy the convenience and money-saving advantages of telephone service. We are working hard to fill their needs. And we expect to have another 82,000 rural telephones in service by the end of this year.

Meeting the needs of farm families is a big and costly job. But it's a mighty important job to us—because it's so important to the South's prosperity, in town and on the farm.
